COACH JOHN POLZIN

In his third year as line coach and baseball coach, John Polzin has gained the respect not only of the students but of the entire town for his fine coaching ability. Always good for a joke, he is as popular in the classroom as he is on the field.

COACH LUTHER FAMBRO

Coach Luther "Bugs" Fambro is making his debut at Arlington this year as track and Freshman football coach. He also helped with the scouting chores. Coach Fambro has made a fine showing his first year here and we are sure that he will be a great success in the years to come.

COACH SAM CURLEE

One of the most well-liked men on or off the campus is Mr. Sam Curlee. He has coached basketball here for the past two years with good results and, besides being the B team football coach, he is quite valuable as a scout against other teams.

COACH LEO BEBENSEE

Another new member of the coaching staff, though not a new face around Arlington, is Leo Bebensee. Coach Bebensee has coached football at West Side for several years. His duties this year consisted of assisting Coach Fambro with the Freshman team and scouting.

COACH MAYFIELD WORKMAN

Not many schools can boast the fine coaching staff that A. H. S. has. In the number one position on the staff we find Mayfield Workman. It is the duty of a coach not only to teach the game of football but also to build character in a boy. We are proud to say that Coach Workman is tops in both respects.

DENTON

Moving up into a higher bracket this season, the Colts journeyed to Denton for their first game in high spirits and with hopes of making themselves known as well in the 3A ranks as they had been known in 2A. They were met by Coach Walter Parker's Bronchos, who proved they wanted to win also. By scoring in three periods of the game, they set the Colts back with a 26 - 7 defeat.

Leggo of my foot!

FT. WORTH TECH.

In Arlington's first home game the Ft. Worth Tech Bulldogs snapped out a 15 game losing streak and in doing so handed the Colts their second loss of the season by a score of 19 - 0.

In the first quarter the Bulldog's Irby intercepted a Colt pass and raced over for the score. The second tally came late in the second quarter when a 43 yard punt return, together with five running plays set the score at halftime, Tech 13 -- Arlington 0.

The Colts came back with renewed spirit, but were unable to make the needed yardage for a touchdown. Three minutes before the final whistle, Irby again intercepted a pass and fell over for the score.

WEATHERFORD

The Colts moved into Weatherford only to be set back for the third time in so many weeks by the score of 68 - 19.

The Kangaroo fullback, Willard Dewveall, knocked the props from under the Colts in the first few seconds of play by taking the opening kickoff and going 84 yards for a touchdown. It was the 'Roo's game all the way with Arlington unable to get a foothold long enough to stop the fired up 2A eleven. The Colts scored three times, but none came from scrimmage.

Charles Denson legged a stray Kangaroo pass back for 79 yards in the third period.

James Hyden scored in the same period on a beautiful 91 yard kickoff return. Tackle Jackie Burch managed to grab a free ball in the last quarter and lumbered across for the final Colt tally.

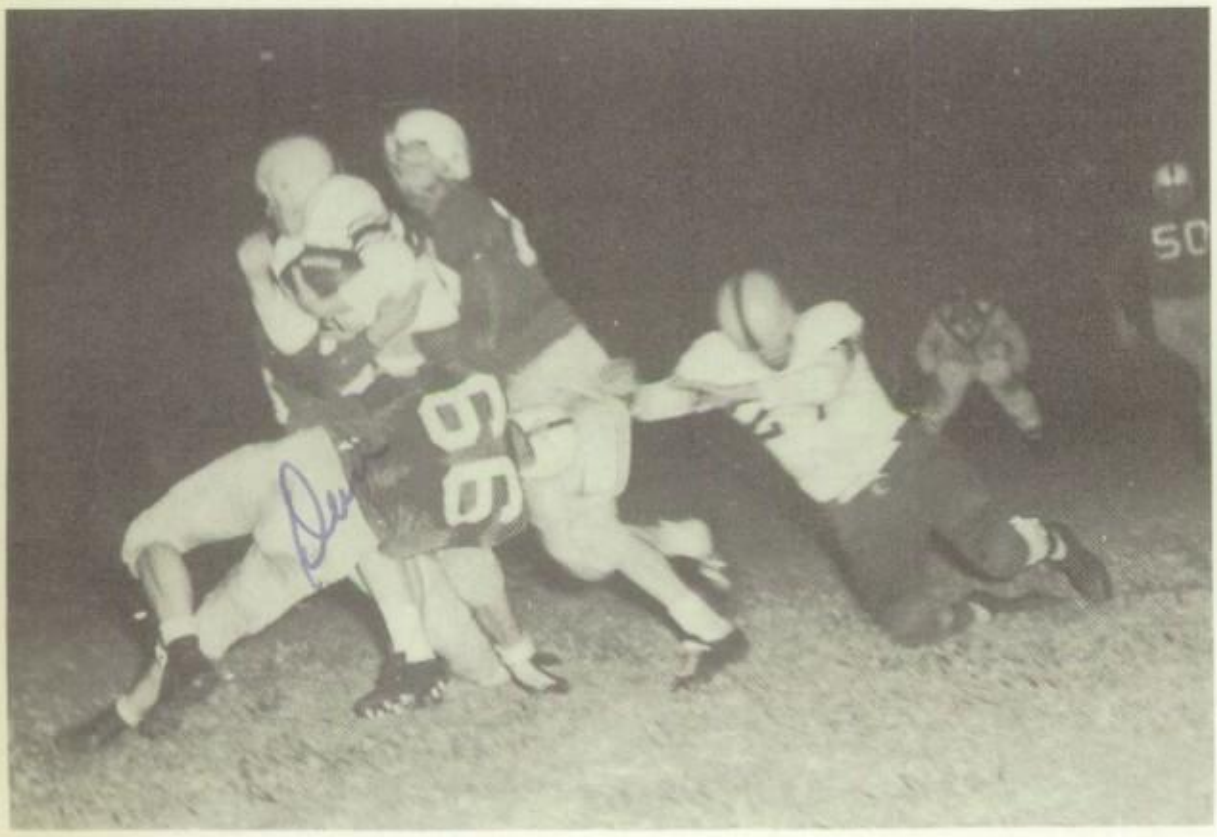
TERRELL

The fourth game of the season brought the Colts against their keenest non-conference opponents and the defending 2A Champions---the Terrell Tigers.

The game - which was feared to be a run-away in favor of Terrell - kept the fans on the edge of their seats from start to finish with the Colts playing their best defensive game thus far and holding the visitors to a 19 - 6 victory.

After their 68 - 19 defeat the week before, the Green and White bounced back and surprised the high riding East Texans by holding them to a six point lead during the first half.

The Tigers managed to push two more touchdowns across before the end of the game, and with 2:47 left on the clock the Colts scored their lone tally with Larry Norris throwing a screen pass to Kinney Everett. The play climaxed a drive from the Terrell 43 which began when Norris passed to Bobby Walker who went all the way down to the Terrell 17 before being stopped.



That's far enough, buddy!

PLEASANT GROVE

The Colts opened their 3A-2 conference slate against Pleasant Grove on the Bobcat's field and minus four of the starting line-up. The result was a smashing 52 - 0 victory for the hosts.

Pleasant Grove scored in every period taking advantage of every Pony miscue and held them scoreless throughout the entire game. The only Colt threat died on the three yard line after they took the final kick-off and moved there in 15 plays.

Which way now, Walker?

CLEBURNE

The Arlington Colts had one of their roughest times with the Cleburne Yellowjackets. Faced by the strong 3A team and being weakened by injuries to key players, the Colts, nonetheless, fought a good game.

The highly-favored Yellowjackets were held scoreless the first quarter.

The first half was climaxed by three Cleburne touchdowns and 2 extra points.

The Colts momentarily headed goalward during the opening minutes of the second half, gaining a pair of first downs before a Norris pass was intercepted.

Cleburne scored three more T. D.'s leaving the final score to read Arlington 0, Cleburne 40.

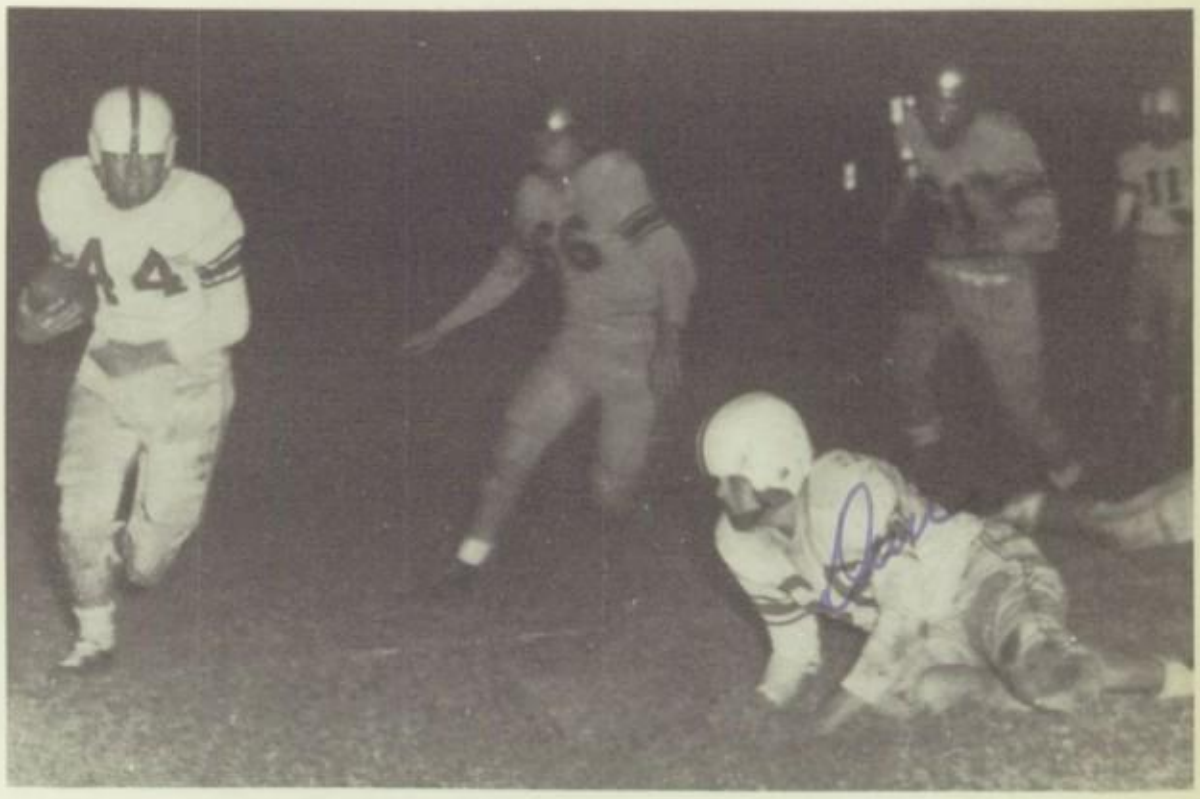
IRVING

Playing one of their best games of the season the Colts held the Irving Tigers to a 13-7 victory.

Neither team showed much drive in the first period, the only score being made by the Tigers. Their conversion point was blocked and the half ended 6-0.

Play was confined to the middle of the field in the 3rd quarter. Score came in the fading moments when Irving made a T. D. and extra point.

The Colts took the next kick-off and moved 56 yards for the final score. Jack Womble carried most of the attack and a two-yard pitch to end Bobby Walker ended in the T. D. Don Boring converted the extra point. Outstanding players in the game were Charles Munson and Dan Norman.



Womble coming around the horn.

BROWNWOOD

The Lions led by All-State Ray Masters overwhelmed the Colts with a score of 41-8.

It was the annual A. H. S. Homecoming.

The first quarter ended in a Brownwood margin of 21-0. The Colts couldn't get a drive started without losing the ball on fumbles and the first half ended 27-0 in the Lion's favor.

Bobby Walker set up the final Colt score by blocking a Master's punt which was received behind the Lion's goal. A few minutes later the Colts moved to pay dirt, with Paul Harris making the touchdown.

James looks determined.

GARLAND

The Colts lost their ninth straight game to the Owls with a score of 31 - 0.

Danny Smith started the first real drive early in the first quarter as the Colts moved 32 yards before losing the ball on downs.

The first quarter ended 6 - 0 in favor of Garland.

The second quarter was a repeat of the first with a drive spear-headed by Jack Womble and Danny Smith which moved 58 yards. This spirited drive ended in an intercepted pass from Larry Norris intended for Bobby Dale Walker.

The half ended 6 - 0 in Garland's favor.

Garland dominated the ball during the second half, scoring 25 points.

GRAND PRAIRIE

The Colts met one of their roughest opponents on Thanksgiving afternoon and showed surprising defense and attack to an estimated crowd of 3200 fans.

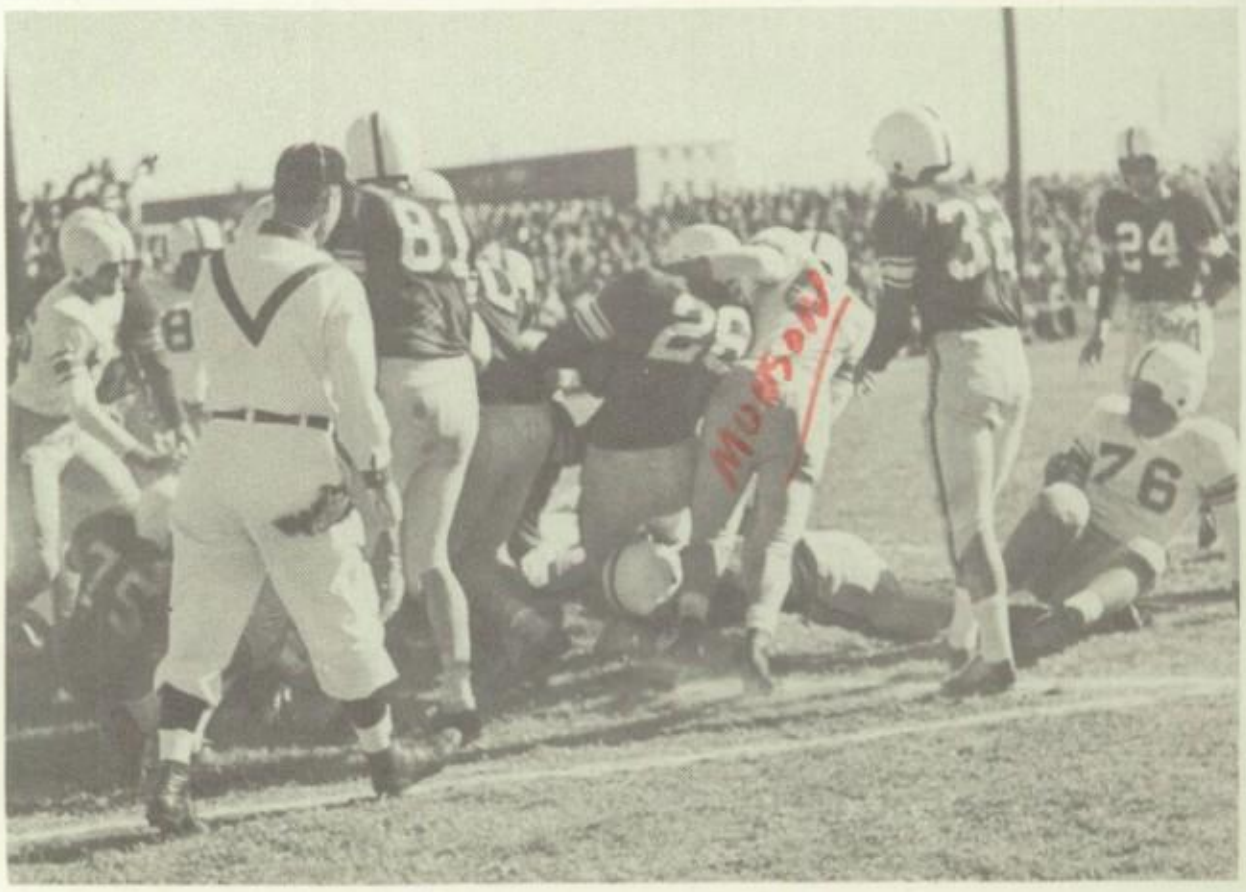
Danny Smith proved to be the leading ground gainer in the contest and also made the Colt's only T. D.

The halftime score was tied 6 - 6.

The tie was broken in the third quarter by an intercepted pass which was turned into an undeserved touchdown.

The Colts tried valiantly in the last quarter to tie the score, but without success.

Since this was the last game of the season, several seniors put out unusual effort which resulted in very fine football. These boys were Jimmy Binion, center; Paul Harris, back; and Bobby Dale Walker, end.



We almost had this one.

OUTSTANDING PLAYERS

Dan Norman is being congratulated by Mr. Mickey McGuire for having received the Mickey McGuire Award.

Each year Mr. McGuire presents this award to an outstanding Arlington High School football player. Dan was selected by a committee that attended most of the Colt games.

Mayor Tommy Vandergriff congratulates Richard "Chief" Narcho on having received the Vandergriff Award.

This award is presented annually to an outstanding football player of Arlington High School. Chief was selected by a majority vote of the coaches of the opposing teams.

This year, he also received Honorable Mention on the All Greater Dallas Football Team. These players are selected by the Dallas sports writers.

Dear Bill,

I am writing this only because I have to in order to mash that pimple on your neck so here goes.

This has really been a wonderful year while being with you. Even though I get mad about everyother hour I never really do, of Course, you know that.

I have had lots of fun being the (head) flag bearer and (if you say so) thanks loads for helping us last spring.

If you get a chance I sure wish you would get a skooter so I could ride on it because I hate boats.

I'll let you play the drums if you promise to stand up straight, 'Cause really I think you play pretty good for such a young drummer. I also hate the bandhall at 8:00 A.M.

All kiddin aside I guess you are about the most wonderful ever I did know and I sure have enjoyed being your 'steady girl for a whole year, 1 month, 14 days, and 6 hrs.

Love always,
Nancy
